AND COMMUNITY SERVICES
PARKS, AFTER SCHOOL, RECREATION

The Parks, After School, Recreation and Community Services Department (PARCS) is the largest after school program provider in the greater Fresno area. PARCS provides traditional after school recreation (ASR), a structured non-fee based program, at 17 FUSD elementary school sites during the hours of 2:00pm - 6:00pm and Fresno BEST (Building Everyone's Skills for Tomorrow) offered at several middle and high schools in FUSD and neighboring districts.

After School recreation plays a critical role in keeping children safe, reducing juvenile crime, increasing academic performance and school attendance. PARCS provides a supervised venue where children have the opportunity to learn and develop a healthy, productive lifestyle. Through a rotational basis the students can experience activities like art concepts, nutritional education, leadership training, sports and fitness. Call 621-2900 for additional information
